

Federal Communications Commission

Hearing Aid Compatibility Status Report (FCC Form 655)

Reporting Period: January 1, 2009 - December 31, 2009

Filing Confirmation Number: 0004088314

Filing Deadline: January 15, 2010

FRN: 0004285698

General Report Information

Type of Company

Service Provider

De Minimis Exception

Did you offer more than two handsets over any air interface to service providers (if you are a device manufacturer) or to subscribers (if you are a service provider) during this reporting period? Yes

Did you offer any handsets to service providers (if you are a device manufacturer) or to subscribers (if you are a service provider) during this reporting period?

Company Information

Company Name: South Canaan Cellular Communications Company, L.P.

PO Box:

Street Address: 1855 Fair Avenue

City: Honesdale

State: PA

Zip Code: 18431

Contact Name: Jamie Davis

Contact Phone: (570) 253-1751

Contact Fax: (570) 253-1763

Contact Email: jdavis@cellularonenepa.com

Filing Agent

Is this report being filed by an agent on behalf of a manufacturer or service provider? No

Product Labeling

Do all hearing aid-compatible handsets include labeling? Yes

Explain:

Do all hearing aid-compatible handsets with the Wi-Fi air interface have clear and effective disclosure that the handset has not been tested for hearing aid compatibility with respect to its Wi-Fi voice operation? Yes

Explain:

Public Website

Does your company maintain a public website describing all hearing aid-compatible models, the ratings of those models, and an explanation of the rating system? Yes

Website address: <http://www.cellularonenepa.com>

Explain:

Consumer Outreach

Describe consumer outreach efforts in the past 12 months: South Canaan Cellular Communications Company, LP (SCCC) maintains a public website displaying their entire selection of handsets including those that are HAC-compliant. SCCC sales staff is trained to assist customers in identifying HAC compliant handsets and devices. Customers can typically identify whether a handset is HAC compliant by either reviewing the packaging or the user manual that comes with the handset, or by checking the company website or by speaking to a member of our sales staff. Customers are also directed on our website to review additional information resources regarding HAC compliant handsets at www.accesswireless.org/hearingaid/brochures.cfm

Methodology for Functionality Levels

South Canaan Cellular Communications Company, LP has identified four (4) increasing levels of functionality that are the main drivers in a customer's choice of handset. These levels of functionality are: (Level 1) Voice only capability, (Level 2) Voice and Short Message Service (SMS) capability, (Level 3) Voice, SMS and Web Browsing (WB) capability and (Level 4) Voice, SMS, WB and Multi Media (ability to send pictures) capability. SCCC offers multiple HAC compliant handsets that achieve the two highest levels of functionality. Because of our efforts to offer a variety of HAC compliant handsets that have high service functionality along with various ancillary feature-rich capabilities, we believe that hearing impaired customers who choose our service have access to a similar variety of HAC compatible handset choices as non-hearing impaired customers.

Report Remarks

Handset 1: LG VX9600

Handset Maker

LG

Handset Model Name

VX9600

FCC ID

BEJVBX9600
